CALL FOR PAPERS

Special Session on *Multicriteria Decision Making*

Dear colleague,

We would like to invite you to participate in the special session on Multicriteria Decision Making that will be part of the next FLINS2008 conference program.

This invited session aims at providing an opportunity for researchers working in multicriteria decision making to discuss the state-of-the-art science and applications, to share new ideas, original research results and practical experiences. Theoretical as well as applied papers are welcome.

For the practical organization of the session, we would appreciate your contribution submitting a paper of 4-6 pages length. All papers submitted will be peer-reviewed. Accepted papers will be published in the conference proceedings. The extended version of best papers will be further reviewed to be considered in a special issue of an international journal included in the Journal Citation Reports of Science Citation Index (ISI).

We would be very glad to receive your interest to this session sending **a tentative title and your contact details as soon as possible to bvitoriano@mat.ucm.es**.

We will expect you to submit the full paper contribution (4-6 pages) **before February 29, 2008** sending it by email to bvitoriano@mat.ucm.es (papers need to be prepared according to http://www.worldscientific.com/style/proceedings_style.shtml, select the trim size: 9" x 6")

We are looking forward to meeting you in Madrid.
