

Toledo City Tour

Toledo is one of the Spanish cities with the greatest wealth of monuments. Known as the “city of the three cultures”, because Christians, Arabs and Jews lived together there for centuries, behind its walls Toledo preserves an artistic and cultural legacy in the form of churches, palaces, fortresses, mosques and synagogues. This great diversity of artistic styles makes the old quarter of the capital of La Mancha a real open-air museum, which has led to it being declared a World Heritage Site.

In this city tour we will enjoy the Cathedral, Santo Tomé and Santa Maria La Blanca. Tour walking along the old town.

The visit includes movements in private bus and tickets to the mentioned museums.
