

Exploratory Workshop on Modelling and Simulation of High Pressure Processes

Programme:

- 09.55 - 10.00h: Presentation and opening
10.00 - 10.35h: Antonio Delgado; Institute of Fluid Mechanics, Friedrich-Alexander University Erlangen-Nuremberg (Germany)
10.40 - 11.15h: Kai Knoerzer; CSIRO Food and Nutritional Sciences (Australia)
11.20 - 11.55h: Konstantin Kamenev Centre for Science at Extreme Conditions and School of Engineering. The University of Edinburgh (United Kingdom)
12.00 - 12.30h: Coffee break
12.30 - 13.30h: Round table: "Cooperation with companies". Moderator: Pedro D. Sanz. Participants: Javier Luzarraga, Cryovac (Spain); Carole Tonello, NC Hyperbaric (Spain)...
- 13.30 - 15.30h: Lunch
15:30 - 16.05h: Jesús Antonio González; Universidad de Cantabria (Spain)
16.10 - 16.45h: Jordi Saldo Periago; CER Planta de Tecnologia dels Aliments. UAB (Spain)
16.50 - 17.25h: Angel Manuel Ramos; Universidad Complutense de Madrid (Spain)
17.30 - 18.00h: Coffee break
18:30 - 19.00h: Round table: "Challenges in the Modelling and simulation of High Pressure Processes". Moderator: Valentin García Baonza. Participants: K. Knoerzer, K. Kamenev...
20.30 - Social dinner

Organized by research grant MTM2008-04621/MTM, QUIMAPRES (S2009/PPQ-1551), I-MATH INGENIO MATHEMATICA-Consolider, "MALTA-Consolider" (CSD2007-00045), Research Group MOMAT, and IMI - Interdisciplinary Mathematical Institute

Attendance is free but previous registration is required
