

Instituto de Matemática Interdisciplinaria

Activities: April 1-14, 2010

Seminars

Quantum Information Theory: visions and perspectives

Michael Wolf (Niels Bohr Institute, Copenhagen, Denmark)

April 7, 2010, at 11.30 hr.

Place: Sala Enrique Linés, Faculty of Sciences, UNED (Paseo Senda del Rey, 9, Madrid)

Organized by Department of Materials Physics at UNED, and IMI-Interdisciplinary Mathematical Institute

Advanced courses

Geometría birracional de dimensión superior

Roberto Muñoz and Luis Solá, Universidad Rey Juan Carlos (Spain)

April 12 - 23, 2010, from 13.00 to 15.00 hr.

Place: Room B08 A, Mathematical Sciences, UCM

Organized by INVESMAT, Department of Algebra and IMI-Interdisciplinary Mathematical Institute.

Conference cycles

“Las conjeturas del milenio”

Las ecuaciones de Navier - Stokes

Diego Córdoba, ICMAT-CSIC (Spain)

April 14-16, 2010, from 14.00 to 15.00 hr.

Place: Room B15, Faculty of Mathematical Sciences, UCM

Organized by Vicente Muñoz, Ignacio Sols and IMI-Interdisciplinary Mathematical Institute.
