

Instituto de Matemática Interdisciplinar

Activities: September 1-14, 2010

Advance Course

Recent result in topological groups

Lydia Außenhofer, Leibniz Universität Hannover
(Germany)

September 6-17, 2010. First session on Monday
6 at 10.00 hr. (Next sessions will be scheduled)

Place: Room 225, Faculty of Mathematics, UCM

Organized by Prof. Martín Peinador (Department
of Geometry and Topology), with the collabora-
tion of the Faculty of Mathematics and IMI - Inter-
disciplinary Mathematical Institute
MATPUR

Workshop

*School and Workshop on Topics in operator alge-
bras and some applications*

September 13-17, 2010

Place: Room Miguel de Guzmán, Faculty of Mat-
hematics, Universidad Complutense de Madrid

Organized by IMI - Interdisciplinary Mathemati-
cal Institute, Universidad Complutense de Madrid,
Universitat Autònoma de Barcelona, Universidad
Carlos III de Madrid, and i-math
