

Instituto de Matemática Interdisciplinar

Activities: April 15-30, 2010

Advanced Course

Basic tools in Mathematical Modelling with PDEs

Sarah L. Mitchell, MACSI, University of Limerick,
Ireland

April 26 - 30, 2010. First session from 15.00 to
16.40 hr. (the schedule for the following sessions
will be decided then)

Place: Seminar Alberto Dou (Room 209), Faculty
of Mathematics, UCM

Organized by the Department of Applied
Mathematics and the research group MOMAT in
collaboration with the Faculty of Mathematics and
IMI

MODySIM

Advanced Course

*Selected chapters of mathematical finance:
Financial markets with transaction costs based on
an extensive use of convex geometry, functional
analysis, and stochastic calculus*

Youri Kabanov, University of Besancon (Franche
Comte, France)

April 30 - May 6, 2010. First session on april 30
from 11.00 to 13.00 hr.

Place: Seminar Alberto Dou (Room 209), Faculty
of Mathematics, UCM

Organized by INVESMAT, the Department of
Applied Mathematics and IMI

MATLIS
