

Instituto de Matemática Interdisciplinar

Activities: October 1-14, 2010

Seminar

[Modeling of smoldering combustion in microgravity](#)

Masayasu Mimura, Meiji Institute for Advanced Study of Mathematical Sciences, Meiji University, Tokyo (Japan)

October 5, 2010, 11.00 hr.

Place: room Alberto Dou (209), Faculty of Mathematics, UCM

Organized by Department of Applied Mathematics and IMI- Interdisciplinary Mathematical Institute

Advanced course

[FIBRADOS](#)

Marco Castrillón and Vicente Muñoz, UCM

Starts on October 5th, 2010, 15.30-17.30 hr.

(10 weeks, 4 hours per week)

Place: room 224, Faculty of Mathematics, Universidad Complutense de Madrid

Organized by Department of Geometry and Topology and IMI- Interdisciplinary Mathematical Institute

Conference

[Conference on Singularities, Geometry and Topology](#) (in honour of the 60th birthday of Sabir Gusein-Zade)

October 10-16, 2010

Place: Residence San José, El Escorial, Madrid (Spain)

Organized by IMI - Interdisciplinary Mathematical Institute and [see others](#)
