

# Instituto de Matemática Interdisciplinar

Activities: December 1-14, 2010

## Seminars

### Bilateral Exchanges and Market Equilibrium

Sjur Flam, University of Bergen (Norway)

December 2, 2010, 13.00 hr.

Place: Seminario Sixto Ríos (room 215)

Organized by Department of Statistics and Operations Research, IMI - Institute for Interdisciplinary Mathematics and NILS Mobility Project

### Un esquema numérico para simular el acoplamiento entre modelos de océano profundo y de balance de energía

Arturo Hidalgo, ETSI Minas, Universidad Politécnica de Madrid (Spain)

December 9th, 2010, 11.00 hr.

Place: meeting room Alberto Dou (209), UCM

Organized by Department of Applied Mathematics, Research Group MOMAT and IMI- Interdisciplinary Mathematical Institute

MODySIM

## Advanced course

### FIBRADOS

Marco Castrillón and Vicente Muñoz, UCM

Wednesdays and Thursdays, 15.30-17.30 hr.

(10 weeks, 4 hours per week)

Place: room S107B, Faculty of Mathematics, UCM

Starts on October 5th, 2010, 15.30-17.30 hr.

Room 224

Organized by Department of Geometry and Topology and IMI- Interdisciplinary Mathematical Institute
