

Workshop

Topological and Algebraic Genericity in Mathematics

19 and 20 November 2015

Interdisciplinary Mathematical Institute (IMI)
Universidad Complutense de Madrid (UCM)

This workshop is a venture of the Interdisciplinary Mathematical Institute (IMI) and it is mainly aimed to young researchers and anyone interested in lineability and spaceability problems. Ph.D. students are specially encouraged to attend it.

The meeting will count with the participation of the following lecturers:

- Daniel Cariello. UFU (Uberlândia).
- Alberto Conejero. UPV (Valencia).
- Mar Fenoy. UCM (Madrid).
- Jerónimo López. UPM (Madrid).
- Marina Murillo. UPV (Valencia).
- Petr Petráček. Charles University (Prague).
- José A. Prado. US (Sevilla).
- Víctor M. Sánchez. UCM (Madrid).
- Pablo Sevilla. UPV (Valencia).

Organizers: **Gustavo A. Muñoz and Juan B. Seoane** (UCM, Madrid)
