SEMINARIO

**Fatemeh Bahrani,
Shiraz University, Iran**

From observation to analyzing BN Ari eclipsing binary star

In this talk we will start by introducing our observed object and used instrument then will continue with analyzing, simulation and finding properties of system all by received light from our target system.

Organizado por Pilar Romero, el Departamento de Astronomía y Geodesia,
y el Instituto de Matemática Interdisciplinar

Fecha: 24 de octubre de 2017

Hora: 13:00 horas

Lugar: Aula 230

Facultad de CC Matemáticas, UCM
